PHYSICAL EXAMINATIONS FOR

- **ALL NEW STUDENTS**
- **ALL ENTERING TENTH GRADE**
- **ALL STUDENTS PLAYING SPORTS**

Four Rivers Charter Public School

Dear Parent/Guardian:

The Laws of the Commonwealth of Massachusetts require that all school-aged children must have a physical examination at specific times during their school years. At Four Rivers Charter Public School these examinations are **required in grades 7 and 10, and for any students who are new to the school**.

Students who play sports are also required to have a physical exam each year before they can participate. Sports physicals are valid for 13 months.

Student _____ Grade _____

If your child will not have had a physical within a year prior to the first day of school on August 29, 2016, please contact your child's physician to arrange to have one done this summer. If your child has already had a physical exam, please have your pediatrician fill out the attached physical examination form and return it to the school nurse. *(Note: the physician may use their own form instead of the school form if it includes all the requested information).* All students entering **grade 7** must have 2 doses of Varicella Vaccine or documented disease.

Thank you for your cooperation. If you have any questions, please feel free to call me.
